“ Don,  
*I'm so saddened by the news of Johanne's passing. I have so many fond memories of our time together at Zimmer Canada and in Warsaw. She was a real individual and always interesting to work and play with. I'm thankful for the impact she had on my career and the challenge she provided. I know your time together was too brief but very happy. I will enjoy a glass of Amarone in her honour.*

*Dear Don;*

*I will never forget Johanne's friendship and how she was there for me when I needed her. Many years ago, in our much younger days, when I was feeling really down after a broken engagement, she surprised me on my birthday by sneaking into my apartment building and decorating my apartment door with all kinds of Birthday decorations. When I was at my lowest she was there to support me, and I will never forget that. I will also always remember her artistic talents since I still have a copy of the cookbook that we created in the OR at OGH and she did all of the art work for it. Johanne will always have a very special place in my heart and I will always remember her as a beautiful, intelligent, multi talented, very caring woman and loyal friend.*

“ *As we looked through the pictures of your family, it is evident that you were very happy. Your time together was short, but your time together was filled with love and laughter. Don, when Jo needed you most, you wrapped your arms around her and filled her with tenderness and support. Hold tight to the memories, and let them guide you during this time of sorrow. Love is infinite.*

“ *Don and Family,  
I am so sorry about Jo's passing. She was such  
a caring person, and her love for Animals and  
nature was simply AWESOME! She was a  
person that one could never have enough time  
with. So gald to have met her when she  
attended the Master Gardener Class in 2010 in Wells County. At  
first glance, I knew she was special, and she never proved  
otherwise. In one of her recent emails to me, she was so kind, and I  
will treasure it always. Thank you and her Animal Family for sharing  
Jo with us. The community has lost a true jewel, and I have a lost a  
great friend. God be with you~~BJ Gray*

“ Dear Don,

*You have been a father figure to my family and I, that is something we shall be always thankful to you for. Johanne, as all from our CAS days at Zimmer would agree was this strong, caring and not-afraid-to-laugh-out-loud person.. just so right for you.*

*I am sure you have lived a life time in the last few years with this incredible person... I wish her thoughts always bring a warm smile on.. that is what she was to you and to us.*

*Our prayers are with you... always.*

“ Don,

*My most heartfelt sympathies to you and your family on the loss of Johanne way too young. I enjoyed working with her and she certainly had a way to make me and others laugh. You didn't always agree with Jo, but you admired her passion for the job and wanting to do what was best for the customer. I remember first meeting her in Toronto at one of Sheryl's Zimmer Canada meetings and immediately thinking what an incredible woman she was. I haven't kept many keepsakes from the Z years but the one I got from her is still with me and I share a couple photos of it in tribute to her!! I know you've taught her well and she's up there right now saying "dude, BOILER UP!!!"*

“ Don I am very sorry to hear the news of Johanne passing. She was a good friend and was always a valued colleague of the Zimmer Canada Distributor team. I worked with Johanne in Marketing at Zimmer Canada for a few years. During that time she and I often saw the world differently. As I reflect back I realize she was mentoring me in ways I could not appreciate at the time. She will be missed. I am very sorry for your loss.
