“ We just found out about John's passing. Jeff worked with John for many years. We are so upset to have missed the service. John was really special. We had the pleasure of seeing him at numerous ball games. He was one in a million. A really nice guy...someone to look up to. We are saddened by the news but strengthened by the impact a person like John can have on your life. Lucky to have known this man. Blessings to the family. People like John are never forgotten.

“ I am heart-sick to read of the death of my friend John. He was a great guy, a trusted reserve police officer and supporter of all of the PAL programs. I didn't get to see him much during the past 25 years, but when I did it was as if I had seen him the day before. Always a smile and a great attitude. He will be missed by many.
