“ Ernie my friend, the late 80's and 90's were packed with some of my most memorable memories and fun times. Thank you for being a big part of those times. Sometime life spreads people apart but we always bullshitted together when we saw each other. What a great person you were and R.I.P. fella.

“ My heart is hurting with the loss of Johnny. We had a class in high school, I remember watching tv with Johnny at his house. Later I would visit him at his own house. Sometimes we would see each other in a bar and drink a beer with each other. He made me laugh. Such a wonderful cousin that I will never forget and I'm glad I have so many memories of him. Sheri
