“ So sorry to hear of JD's passing. So many memories from riding the bus to school with him to playing at his parents house and planting peach seeds behind their house thinking they would grow by the next day. We were always the last two on the bus and JD would always put all the window up that were left open before he got off. Prayers for the family.

“*Julie, Kyle, Steven and Jay. Our hearts were deeply saddened when we heard the news. We are so sorry that we are not in town to be there to pay our respect. JD was such a great mentor to me as a young man and I have always keep his fire and spirit with me through the years. He taught me a lot and I will always cherish the memories in my heart. We Love you guys!*
