“ I knew Jon for many years. He was one of my favorite umpires at the PAL club when I played little league baseball. Fast forward when my sister married into the Romero family. All the get togethers and parties he was there with his friends and family. My favorite memories of Jon was the most recent few months. He was down to clown and helped celebrate my bridal shower and then he was such a big help with my wedding. We shared so many laughs the last few months. I will say my favorite memory is the day after I hot married and he came out to the venue as we were cleaning up and talking he gave me a big hug!!!!!!
