

## Jordan Eugene Collins

August 8, 1996 - June 20, 2024

Jordan Eugene Collins, 27, of Huntington, passed away unexpectedly in a vehicular accident at 5:46 am Thursday, June 20, 2024.

Jordan was born on August 8, 1996, in Huntington, IN, the son of Kyle Collins and Angelia (Dube) Tabor. He attended Mississinewa High School. Jordan was a talented auto mechanic and was self-employed.

Growing up, Jordan was always tinkering around in the garage getting his hands dirty with his dad also known as his best friend. As time went on, Jordan's passion for cars expanded into mudding, competing in derbies, riding motorcycles and drag racing. He liked pushing things to their limits so he would have a reason to fix or rebuild. His monster truck was one of his favorite projects by far. Jordan was a quiet man most of the time unless you wanted to talk about cars or his family. His compassionate nature to help others and love for his family had no boundaries. Jordan's spirit will live on in those he cherished.

“ I was so sad to hear about Jordan. I was one of his teachers at Mississinewa High School. He was a pleasure to have in class. Jordan was a hard worker who was always willing to help others. He had a smile that lit up the room. Thinking about all of you during this very difficult time and the days ahead.

“ I met Jordan last year. He redone our front deck and railing for us. Since then it's been numerous other things. So have a lot of things around that will always remind us of him. He was such a hard worker and nicest person I've met in awhile. His Dad also helped with some stuff too. I will dearly miss Jordan. Every time I hear a louder sounding truck I think of him and his truck. Anyway he will be greatly missed by my husband and I. May you rest in peace Jordan. And I pray for his family that they find comfort by having him in their lives for the time they did. And know they will meet again one day. I wish I could've known him longer and better. But I am thankful for the opportunity for the time I did know him. My heart hurts from the sudden lost of an amazing young man. 💔
