“ I met Jordan at Oneida Baptist School over 17 yrs ago. We both worked on the farm at the school when we were students. He always teased me that he would beat me at the Tractor Driving Contest they had every yr at spring festival, he didn't but he definitely tried. Jordan has always been a great friend, always been there to pick up the phone when I called. He was just so kind hearted, competitive, but kind. I will miss him very much. My deepest sympathy for his wife, kids, and family.
