“ *Dear Dick, Janet, Family & Friends,*
It truly breaks my heart to hear about your loss of Joe. Please know that I am holding you and your family close in my thoughts and prayers. I know there truly are no words to make your loss easier or lessen your grief. The years of sitting in the bleachers yelling for the boys during their wrestling matches bring such wonderful memories of the wonderfully respectful young man you raised. I hope you will feel prayers lift you when you feel too heavy to stand on your own. With deepest Sympathy, Melanie Thompson Smith (mother of Matthew, Phillip and Lance)

“ Dick and Janet,

There are no words, you have experienced a parents worst nightmare and we can't even begin to understand. Just know we love you, and we are thinking and praying for you not only today and tomorrow, but in the days, weeks and months ahead as you learn to live your lives in THIS world without Joe. May the memories of his short time with you give you comfort and peace. May his passing remind us all, that they are only ours for a short time, and we need to make the most of every minute we have with them. Its really hard sometimes, but we are trying to learn to accept our children for who they are, and not what we want or think they should be. There is conflict with that, but we are learning. And Joe's passing has helped us focus on whats important. Time is too short for conflict. Hold Eric and Aaron close. Keep that wonderful family closeness you've always had and share the happiness as well as that ache in the corners of your hearts for the one who has gone ahead. He we always be part of you, he will always be with you. He will always love you, his family.

“ BRAGG FAMILY,

I ONLY GOT TO KNOW JOE BRIEFLY BUT HE TOUCHED MY HEART DEEPLY BECAUSE OF HIS DEVOTION TO HIS PRECIOUS DAUGHTER. I HAD THE PLEASURE OF HAVING KENZIE IN MY DANCE CLASS AND SHE IS JUST A SWEET LITTLE GIRL. HER LOVE FOR HER DAD AND HIS FOR HER WAS UNDENIABLE. I CANNOT IMAGINE THE PAIN THIS LOSS HAS BROUGHT UPON YOUR FAMILY BUT I WILL KEEP YOU ALL IN MY THOUGHTS AND PRAYERS.

I ran into him a few times after graduation but hadn't seen him in quite some time when he found me on facebook last fall. We had a nice conversation about where our lives had taken us and it was so great to catch up with him and hear how happy he was in life. I'm glad we had that opportunity to catch up. As he grew up he looked just like his big brothers. I remember him coming down to the house with Aaron. We always had lockers right next to each other and he was the guy who was larger than life. We have ran into each other over the years and every time I could always expect to hear him call me by my last name and give me a big smile. I ran into him over the summer at the Van Buren Popcorn Festival and when he saw me he immediately gave me a big smile and hug and we chatted about how much life has changed since high school he was excited about his wedding coming up and talked about his little girl. He will be greatly missed, my heart goes out to his daughter, wife, and his family. He will always live on in our memories. May peace be with you!!!!

“ I don't know how to make sense of any of this.....what i do know is that my world is definitely not going to be the same without you in it. Its so hard to imagine not hearing your laugh and the "I love you" at the end of our phone conversations. Not only were you a cousin to me, you were one of the few people that were always there unconditionally when I needed a best friend. Your honesty, compassion and loyalty are just a few of the amazing qualities you possessed. You are one of the best guys I have ever known and Mackenzie is so blessed to have had you as a father. I love you so much and I pray the we all can push through this hurt to begin to heal....especially Mackenzie. You will be missed more than I could ever begin to put into words.

“ Dick and Janet, my heart goes out to you both and your family. It's not supposed to be this way. Our kids are not supposed to leave here before us. I am so sorry. I am holding your family close in my thoughts and prayers. Its a difficult journey to go on with your life without your child. If there is anything I can do to help please don't hesitate to ask. Joe was a great guy, always with a good attitude and a smile. He loved Mackenzie with his whole heart you could see it on his face when he looked at her and when he talked about her. That is a tribute to the two of you as his parents. God Bless you both.
