“ I met Josh, while working at Bendix. I enjoyed working with him, we were talking one night we talking I think about football and I happened to mention that Steve Largent was my favorite player. He then mention to me that he knew or knew someone who did, I had a Steve Largent jersey and proceeded to ask if he might get it autographed for for me. He said he would try to and low and behold he (Josh) came thru. I will never forget what he did for me and will truly miss him. R.I. P my friend!!! Your friend Gary Rowe
