“ My heart was broken when I heard about Joyce's passing, not because I knew her but because I know how much Jason loved her. That alone tells me what a wonderful, loving person she was and how she impacted his life. In the days to come, I hope all the memories of her will bring some comfort to all that she shared her life with. May God's loving hand be on you all during this time and the days to follow.##imported-begin##Sinda Baker##imported-end##

“ Joyce was a very friendly loving person. I will always remember the first day I met her. She is someone I will not forget. She always spoke her mind, but in a loving way. I appreciate her being up front and honest when I would talk with her. I have talked to her many times in the passed and I enjoyed her company.

I send my love and prayers to her family. Joyce will be missed very, very much and never be forgotten.

*Love and prayers always,
