“ To the family of Juan,
I am so very sorry for the lose of Juan. I know for a fact that Juan made anyone's day who past by him one to never forget. I know he has made an impact on mine. There was one day in high school that i was having a hard time with my home situation and i couldn't leave it, i was contemplating suicide was days then one day Juan past his notebook back to me asking me if i was okay because i seemed off and he could tell there was something wrong. And i told him that i wasnt and that i didn't want to talk about it. Well, he gave me a phone number to call him at and said he would be willing to listen. So that night i called him and he talked me out of it. We were probably on the phone for about 2 hours. And i never ever will forget that night through everyone i thought was my friend and even the family i lived with that told me i wasnt worth enough to talk to he was there. And i thank him for that. I am sincerely sorry. I want to say i know how you feel, but really i dont i never felt the pain of raising someone and then they pass, ive lost family members but not a child that ive watched flourish. My heart goes out to you, all of you.
Sincerely,
Nichole

“ *I worked with Juan at pizza junction for a few months. He was such a fun person to be around, made everyone feel of some sort of importance, and his laugh was absolutely contagious. I loved getting to hear him sing back in the kitchen. I remember the first time I met Juan.. he asked me what my name was so I told him. and he replied with “no way, that’s actually my middle name” and I said “really?” to which he said “no, it’s Miguel, but it’s close enough right?” I didn’t know Juan all that well, but I know enough to say that he was a truly remarkable person. I can’t believe he’s gone. My heart aches for his family, friends, and anyone that had the joy of knowing him.*

So sorry for your loss of Juan. I remember when he started kindergarten, coming through the lunch line, he was ALWAYS very sweet and well mannered. He always wore a beautiful smile. May God comfort you in your grief.
