“ *I will cherish my short time with Judy. Judy and David purchased their current home from me. I visited them on occasion. Judy's wit was awesome, tongue in cheek, which I enjoyed. David is a wonderful man. Please keep their union in your prayers . Curt*

“ I was Judy’s home health care aide. When I was visiting with her she was always the most positive sweetest person. Her and I laughed a lot together. The days I was with her always made me in better spirits. She will definitely be missed. My condolences to her family and friends.

“ Rest in peace, Aunt Judy. Thank you for spending time with me when I was growing up and letting me have fun with you, two ladies on our own! You were a wonderful aunt. Much love from Laurie Pearce ❤️

“ Judy and I have been lifelong friends since college. There are numerous memories that I could share from our many years of friendship. Some of which would include nights playing cards on the basement floor of our dorm waiting on our laundry to finish, our time on student government (especially the trials), getting my car stuck in sand on the Ft. Bragg drop zone and some soldiers showing up and lifting it up and turning it around, and our trip to Atlanta for the Olympics. Rest In Peace my dear friend. Beth Wood

Bonnie crane —I have many great memories with Judy. I met her my first day of teaching in Virginia Beach, some principals good and not so good, but we worked hard. I did much traveling with her. I was able to go to several countries in Europe with Judy. We had much fun together. I truly appreciate all Dave did to help her and take care of her when she was so sick. I will treasure the fond memories.
