“ *To those of you who don't know Judy was our baby sister. However we never called her Judy she has always been BABE to us. This lady never meant a stranger. She loved people and accepted everyone just as they are. She never said a bad word about anyone. She was always wanting to give you a hug 😊. Once she meant you she never forgot you. She looked upon everyone as family ! When she was in the hospital for over 15 days she cried cause she didn't want to leave her nurses. She called them her third family . She loved them all! Babe showered people with her honest, pure and innocent heart! She will truly be missed by so many. She made our family so loving of each other by her example! She loved her Jesus and her church family . We're going to miss her so very much! She made us laugh 😄, cry 😭, and love ❤️ Miss you Babe but will for sure see you later!! Love You Sis
