“ *I had the pleasure of caring for her for about 6 months. I always looked forward to seeing her and getting to talk with her about anything and everything. She was a wonderful person and I will look forward to seeing her again one day and continuing our talks. I wish we could have met sooner in life. She will surely be missed. ❤️*

“ *I had the pleasure of caring for Julia for one week before she passed away. I got to know her quite well as we talked about her family, hobbies, marriage and faith. I met all her children and a special brother-in-law. It was a very special experience and I will remember Julia for a long time. Thank you for the honor of being part of the family even for a short time ❤️❤️*

“ Julia was very welcoming in her home when she lived here in Huntington. I felt like family around her and she was a cheerful, caring person. Much love to her daughter (and my friend) who took excellent care of her.
