“ Meeting Julie this year was such a delight. She was in the hospital but still a spunky soul. She mentioned how proud she was of Lucas, how he cared so much for her and checked in on her several times a day. She also mentioned Lucas’ friends from PlusOne who all entered her room and instantly she enjoyed each one and the fun they brought. She loved how Lucas would bring friends to join him on his visits and the joy and care he and his buddies brought to her regularly.

*She seemed to be a spunky, strong, strong willed, stubborn and fun woman.*

*I am honored to have met her and pray with her too.*

*Praying for each of you in this time of mourning her.*
