“ Gerald

So very sorry to hear of Mrs. Huffman's passing.

I enjoyed many Christmas treats she took the time to make for all of us at UTEC.

My thoughts are with you and your family.

“ *What a shock, we are so sorry for your loss. Karolyn & Gerald and Marilyn & I lived in the same apartment house when I got out of service. They bought a house and we did too. However we continued our relationship for several years, until we got transferred to Canada. A few months ago Marilyn was able to make contact by phone which was the last time we communicated. Karolyn will be missed by family and friends. We send our thoughts and prayers.*

With sympathy

“ On our life's journey we meet people that we know little about, yet they leave an imprint on our hearts. Gerald, you and Karolyn are a special couple that touched our lives. Though we haven't seen you for some time, we always remember you sitting by Karolyn with a smile on your face watching her trying to get that lucky tip. We want you to know that you are in our thoughts and prayers. Peace be with You.....Brian & Pam Burbank
