“ I just now found out about Kathy. Am so sorry! She was a great friend and Union classmate. Kathy took me to church camp with her one year. What a wonderful time we had! I haven't seen her for years, but hold on to the memories we had together! She will be lovingly missed! Janet Rice Welch

“ I am stunned to hear of Kathi's passing. We had fun co-op days, she let this California girl have her first visit to a pig barn, and Kathi welcomed me from the first time we met. She had a gracious impact on everyone in her circle of influence. She will be sorely missed. Love to the Halsey family. PeggySue Wells and family

“ *When a boy, Kathie's folks took my sister and myself to Vacation Bible School several summers, which meant so much for us, and I will always remember Kathy as gentle and kind in all her manners. Permit me to offer my sincere condolences to all her family and the many people I am sure she must have collected as friends, given her personality, faith, and values.* ”

“ Kathie was one of the sweetest, kindest ladies I've had the honor of knowing. It was such a privilege spending time with her on our mission trip and having her as our director in the choir. I will be praying for all of the family as you try to move on from here. Take comfort in knowing, that we are only separated for a while , and soon we will all be united again. One day, we will be with our heavenly Father, and there will be rejoicing forevermore.

Much Love,
