

Katrina Drayton

January 12, 1987 - January 30, 2025

Katrina Drayton 38, born January 12, 1987, loving mother, wife, sister, niece, cousin, and dear friend passed away in her home January 30, 2025, at 9:15pm surrounded by family and friends.

Born in Amarillo, TX to Paula Glover and John Reid, as a young child Katrina lived in Clovis, New Mexico then moving to Kokomo IN but most of her life was spent living in Huntington, IN.

Katrina was a 2005 graduate of Huntington North High School. Her greatest accomplishment and joy was being Lily (16), Kale (12), and Makayla's (9) mother. Her only mission in life was to provide a home of love and support for her children, the legacy she leaves behind proves that she did just this and so much more. She worked as an office manager for Bureau of Motor Vehicles, Lakeside Chevrolet, and CDT drywall.

She married Brian Drayton on December 25, 2022, in her home with a private ceremony performed by her children and ordained by a close friend. They became a couple on May 28, 2010, and they were able to build a life together to be proud of.

Katrina lived an unapologetic life without fear or regret. She empowered those around her to live life to its full potential, love the ones that matter fiercely, and

to be present fully and completely in every moment that life gives you. Her favorite quote is “Strength is what we gain from the madness we survive.”

Katrina is survived by her devoted and loving husband Brian Drayton and precious children Lily, Kale, and Makayla; Brother, Micah Glover of Kokomo; Aunt Jerra (Moreland) and “Uncle John” Kraning of Peru, IN; Cousins, Andrew Moreland of Bloomington, IN, Nickolas Moreland of Washington D.C., and Samantha Kennel of Kokomo, IN. Katrina is also survived by her in-laws, Patricia Drayton, Shandel Perkins, and Jake Drayton of Huntington, and many special friends who became family.

She is preceded in death by her mother Paula Glover and Grandparents all of Kokomo.

“ *Katrina has always been such a fun loving and amazing person. Getting to have her as a friend was on honor and a blessing. I cherish the 20 years of friendship that we had. Life was better just for having her be a part of it. Thank you Katrina for all the love and laughs.*

“ *One of the many memories I have of Katrina is the surprise birthday party she held for me at the firehouse on Etna Ave. I had no idea she had planned this for me. She knew I had been going through some sad times and thought enough of me to give me such a nice party.*

Katrina was the strongest person I have ever known. She was a wonderful wife, mother, niece, friend and so much more. She will be greatly missed. I pray she is with her loved ones a!d friends including her friend, my daughter. Rest in heaven beautiful until we meet again. Love Aunt Carman, Uncle Sam, Kamdyn and Gabe
