“ I remember Kent from school, we graduated together. I am so sorry to hear he passed away. I remember he was a nice guy and had a sense of humor. My thoughts and prayers are with his family. Sad to know the class of 1979 lost another good soul.

“ kENT, Even though we haven't seen each other for a long time, I always thought of you as my brother. We will be playing little league baseball again soon with Rick and Ted as our coach. Start breaking in a new glove for me so it's ready for me when i join you on the other side. Go rest high on that mountain Mr. Marine. I wouldn'tve wanted to grow up with anyone else. Love Jim S.
