“ Over the years, I have had the opportunity to work with Kevin on several construction projects. As many others who have worked around him can attest, he brought nothing but professionalism to the project. On the other hand, Kevin would joke and tease about anything. And I do mean anything!!! I truly am gonna miss a friend and colleague.

“ *Kevin was one of the most genuine people I've ever had the privilege of knowing. Kevin would do anything for anyone, he always put others before himself and represented what it means to be the hands and feet of Jesus. I will miss Kevin, dearly but I am honored to have been blessed with his friendship.*

*My prayers go out to his amazing family and friends,*
