“ *Kim was and always will be my mother. We may have had our problems, but that never changed the fact that I love her. Without her I don't know where Jessy would have ended up. She was really the only parent I had until I was 8. I am deeply hurt for how things turned out. I had hoped that 1day we might have been able to reconcile. I only hope she knows now how sorry I am. Please somebody reading this, if you or anyone you know have pictures of her and Jessy, please call me. (612)930-7906. I love you Momma, I always will and you are always with me.*

“ I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.
