“ Melinda & Don - I miss Kory alot and I think of him everyday.. I try to just think of fun times we had. We would pick up a couple of steaks and he would put them on the grill, potatoes and onions wrapped in aluminum foil w butter. He was quite a cook chef.. We sit outside listening to the night enjoying each others company.. I will always have a special place in my heart for u Kory. I'll never forget the day u told me I'm ur best friend. It was my birthday and that was the best bday gift I could of asked for.. Rest in peace my dear friend. I'll see u again some day.. Your best friend - Danny -
