“ *At our age, we have seen many funeral pages where people leave comments. Never have we seen such an outpouring of memories for a 29 year old young man. We hope Katy, Jerry and families realize how unusual, and what a statement this makes about Kyle's influence. Please, someone, copy these comments and share them someday with his children when they can fully appreciate it's implication.*

Kyle, you may have walked into Heaven, but you left your foot prints on many souls.

God Bless you!
