“ My days will never be the same without Dad. I will forever miss our trips to the lake, sitting out on the front porch feeling the sun on our faces, and our weekly trips to JJ's to get a coffee and sit and chat about life and especially the weather. I am so honored to have been able to take care of Dad. It wasn't always easy, but I wouldn't change anything. Dad, I promise I will try hard to mow in straight lines and check the oil in the tractor. You taught me well. I Love you to the moon and back and forever and ever❤️

“ Larry was such a good man. Always silent and patient. Nothing ever seemed to faze him as he put up with all our childhood antics. I will always remember him with his pipe in mouth driving around the half acre on his tractor. Surely this must have been his quiet time.:) I am sure that he is now enjoying his time with Rosie again. All my love and sympathy to the Bonbrake family.
