“ Our cousin Larry, we are having such a hard time believing you are gone. You hold a very special place in our hearts. Watching you grow up with our youngest son, sleep overs, snowmobiling and going from Little Larry to Larry Von. Having the honor to attend your wedding, joining the love of your life in marriage. Taking your four wheelers out for a ride the night of Jessica's graduation party. Danny is so thankful that you helped him up @ the lakes last spring, enjoying the day spent talking with you. Last summer, going down the channel up @ the lakes yelling our names, then stopping to visit and give hugs when you came back through. We were so looking forward to having you back at the lake, the feelings are just so hard to shake. These are just a few memories we treasure, our hearts break to never see those smiling eyes. This poem is for you.

We Thought of You Today

*We thought of you with love today.
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have is memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in His keeping.
We have you in our heart.*

Desiree, Jessica, and Bailey you are in our Thought n Prayers. We hope you will stop at the lakes for a visit.

*All our Love,
Danny and Reva Graham*

“ *My heart breaks with the loss of my nephew. I share this poem.*

A Fallen Limb

A limb has fallen from the family tree.

I keep hearing a voice that says "Grieve not for me"

Remember the best times, the laughter, the song.

The good life I lived while I was strong.

Continue my heritage, I'm counting on you.

Keep smiling and surely the sun will shine through.

My mind is at ease, my soul is at rest.

Remembering all, how I truly was blessed.

Continue traditions, no matter how small.

Go on with your life, don't worry about falls.

I miss you dearly, so keep up your chin.

Until the day comes we're together again.

I Miss and Love You Dearly,

Aunt Loris (Sis) Huey Huffman

“ You were and always will be my brother and my friend. Without you I feel like I have a void in my life. I feel lost. The world has lost a great and compassionate person the day we lost you. You were a bright shining light in all of our lives. I remember when you and Toby would put me in a sled and dare me to slide down the stairs and I hit the big flower pot at the end and ate it....you were such a character! You did rub off on me being daring just a little bit! God has now called you home.....spread your wings and fly with the angels! Love you always, your sister, Stacie.
