“ Had many a great morning after work at Youngs when I lived in Huntington. Larry served me my first legal drink and had many an hours conversations with him. Worked third shift at Marsh supermarkets and he was the only one open and he was always there a great man. Just heard of his passing. Condolences to the whole family.

“ *A genuinely good man. A smile, a laugh, a positive greeting is what one could always expect from Larry. Larry and Sharon were great role model parents, a humble family, with great character, conviction and service.*

To my life long friend "young Larry Young", no words I share can fill the void, but I know the great man you are, and the influence your father had on your life. The legacy of your fathers influence will live through you, and through your children. Your Dad did his job, he was good servant, and made the world a better place.

Larry, Your Dad was so proud of you. When I would see your Dad, he was always excited to tell me about his latest trip to see you in MN, SC or AL. He was "in awe" of you, and the man you had become... You made him proud, and rightfully so.

On behalf of my family, please accept and extend our condolences. May God continue to give you and your family peace and great memories.

In Loving Friendship,

Brad McDonald

“ Sharon, you and your family have my sympathy with Larry's passing. I had many good times at your bar(Young's Café) when I turned 21 and worked at Majestic many years ago. I sure miss the games of pool, the great songs on the juke box, the fish sandwiches with fried mushrooms, and of course the cold Miller Lite. Thanks for the memories Larry!

It is just a little over a year ago when I called and spoke with Larry about Keith's passing. We had such a nice visit. Fern & Floyd were long time friends of the Brown's. “ *When I first attended Horace Mann, 6 th. grade, Larry and I became fast friends and even though we rarely saw each other through the years, I believed we remained so. It's so good to hear all the nice memories being shared about him. He was a great guy, without a doubt. He rests with almighty God, until we meet again. Go now, my brother.*

“ I went through Horace Mann Elementary and HHS class of '61 with Larry. Any time I have been back to Huntington, always made it a point to stop by "Young's Tavern" to visit with Larry. Many of our class reunions also had a gathering there too. Larry proudly served his Country in the USAF. He has now “Flown West”.

“ Yes Larry is going to be missed very much. I have been going in and out of Young's since I was 21. I even bartend there for a while to help out. Larry was a great guy to be around. Enjoyed working and hanging out shooting pool, plus having a few drinks and lots of laughs. Then off to breakfast some where. Every time I come home to Huntington, I try to stop at Young's to say hi to Larry and Sharon. They're great people. God bless you Larry and thank you for all the memories. Our prayers are with Sharon and the rest of the family. God bless you all. Mike & Darlene Caley, Jacksonville North Carolina.

My heart is broken for Sharon. In addition for Susie, Larry JR, Scott and Danny and their families. I know all of you are going to miss him terribly. I have such WONDERFUL memories with my late husband, Joe, Larry, Sharon and myself. We met in younger days on base housing at Lockborne AFB Susie was just a baby, I was pregnant for my first child. We would get together many evenings and play cards. We would bring the babies, lay them in a bed and they would sleep the whole night while we played cards. Larry and Sharon were our first friends as a married couple. We have stayed in touch through the years. They had 3 more babies and we also had 3 more. We would get together after they both got out of the AF and our kids loved to play with the Young kids. Larry will be a wonderful memory in my heart forever. I just know that Joe, my late husband, welcomed Larry with a hug and big hand shake and they are spending time playing euchre or pinochle. You all are in our thoughts and prayers.. Sharon, I would love to talk to you when you are ready to chat. Send me your phone# and i will give you a call. My cell # is 832--541-8565 if you would like to talk. Love you, Sue
