“*Lavona was such a loving lady. My dad called her “Texie”. She would call me out of no where just to talk. She loved her family so much as we talked about her daughters and grandkids. And the fun times all the relatives had when we got together. I will truly miss her.*

“ We became instant friends even though there is a 40 year age difference. She taught me so much about life and my outlook on living a long full life. I will miss that sweet hint of a Texan accent in her voice and her smile. She will hold a special place in my heart forever!
