“ I did not know you had passed Leonard. I would have been there to send you off to see the Lord the right way. You and i go back to the time of mash grocery store when it was up north. Bill is waiting for you. I will always cherish the time and memories we had together. Love you my dear pal and never forget that.

“ Lenny was such a wonderful man and will truly be missed by many. He was kind and caring, and the love he had for his wife will always be one of my favorites. He never walked away without giving a hug and saying "bye Jessica!"

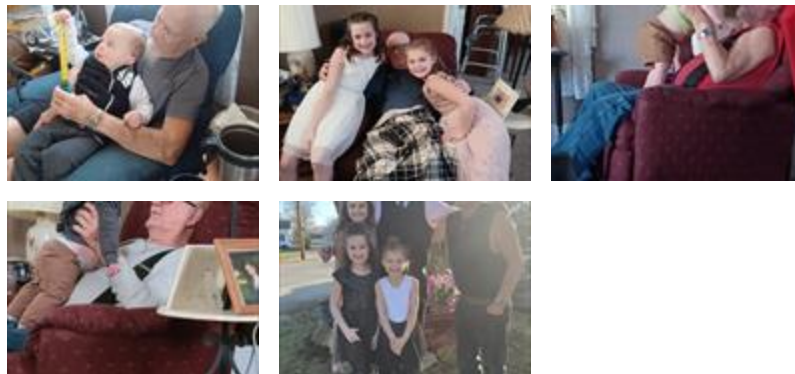

A memory that stands out is when we had lunch at Arby's and I ordered a side of cheddar cheese to dip my fries in. Lenny dipped his fries in my cheese and Margaret laughed and said, "what are you doing? That's Jessica's cheese." As we all laughed, he said, "oh, I thought you ordered that." Then, "she doesn't mind sharing. We're all family here." So needless to say, we shared the cheese that day. 😊

I hope this memory brings a smile to someone else's face as it does mine. I can only imagine the reunion him and Margaret are having in Heaven. ☐ My thoughts and prayers go out to his family.
