“ I am so happy to have had you apart of my life. To have had you apart of my childhood! Words cannot express how deep of loss I feel knowing that you are no longer here with us, but as it is written in 2nd Corinthians 2:4 "While we live in these earthly bodies, we groan and sigh, but it's not that we want to die and get rid of these bodies that clothe us. Rather, we want to put on our new bodies so that these dying bodies will be swallowed up by life." with this being said, I am happy to know that today you are in heaven with all of our family, no longer burdened by the cares and pains of this life. I know I will get to see your smiling face again when I meet you at the Gate of Heaven.

Aunt Karen, Vanessa, & Pee Wee,

My heart and prayers are with you all. I love you and will continue to keep you in my prayers for God to wrap His arms around you and hold you close in the days and weeks to come as your hearts along with mine grieves.

Love,

Monica
