“ I was sorry to learn of the death of Louis. I was his neighbor for 28 years and just moved this year in May. Louis mowed my lawn for the last five years after my husbands death and was going to mow it this year but then told me he wasn't feeling well enough. He always had such a nice garden and shared some with me when I paid him for mowing. I talked to him by phone just before I moved as I hadn't set him outside like he usually is. Sorry I didn't learn soon enough to attend his memorial service. My sympathy to his family.
