You never said I'm leaving
You never said goodbye,
You were gone before we knew it
And only God knows why.

In life I loved you dearly
In death I love you still,
In my heart I hold a place
That only you can fill.

It broke my heart to lose you
But you didn't go alone,
As part of me went with you
The day God took you home.

“ I had the privilege of working with Linda as my Chief Deputy at the Clerk's Office. She shared so much with me through our time together! About her family that she was so proud of! About her Doug and how terribly she missed him! And about how to keep that tight ship running that she had established in the Clerk's Office! I, too, loved the birthday and Christmas cards she always remembered to send! I can just see that beautiful smile shining as she reunited with Doug in their heavenly home! Your mother was very special and will be missed!

“ To the Colbart family, our prayers are with you during this time. Linda was an amazing person, so thoughtful, kind & caring. We worked together at First National Bank. Then she got me in the job in the Courthouse. We spoke often & met with other friends often for dinner at Applebee's. Great memories shared & lots of laughs. I used to buy her baskets for family presents, she had many talents. She'll always be remembered with loving thoughts.

“ *Linda Colbart*

My friend, My confidante, My mentor, My Guardian Angel.

I met Linda while working next to her desk filing checks at First National Bank when I was 16 years old. She was a great mentor at work. She had a way of communicating on a personal level than most co-workers and honestly more than most people I knew. She just genuinely cared about me and my life. She always had good advice and could make me laugh. She had a way of looking at the big picture and always helped in perspective of the situations at hand.

I knew even after we didn't work together I had an open invite to stop in at her house to visit. She was always happy to see me and honestly she reminded me of a younger version of my grandma who had already passed. My grandma kept a tight ship like Linda, her home always felt welcoming, hospitable, and she always stood at the door till I drove away. I loved that Linda reminded me of her.

We had many laughs together. I especially loved her laugh. (Thank you Madi for saving that on video)

I learned a lot from Linda. She loved her husband deeply. She loved her boys fiercely, and when they married, she loved the wives like her own. She wrote often about how fun it was to be a grandma and how she loves everything about being one. She was a great influence on how a family should be.

Linda has always kept in touch with me throughout all these years. She never forgot a birthday or Christmas. That is a true ministry. I can honestly say it's a ministry that is fading and it is such a sweet one that shouldn't fade. I may try to keep this tradition going. She had the most beautiful handwriting . It truly was a highlight to receive her card and to catch up on what was new in her life. She always made me feel special all these years.

Thank you Linda. Thank you for being my life long friend!!! I will miss you here on Earth, but cannot wait to hear you giggle again someday.

Till then, I pray for comfort for your family. May our memories of you live forever in all our hearts!❤️

“ *My deepest sympathy to her family. I worked with her at the bank for many years. I enjoyed talking to her about shopping and decorating. We kept in touch for many years and then when she moved to Warren she wrote me a letter every Christmas. I looked forward to those letters every year where she would tell me about the trips that she had taken. She was such a beautiful person inside and out. She is now reunited with her husband. She always mentioned in her letters how much she missed him. God bless all of you.*

“ *Linda & I have been the best of friends since 1970 when my son, Jeff Howe, & Linda's son, Dennis, attended Lancaster Elementary School & went to swim classes in Warren. We were blessed to go on several trips together (Chicago, Nashville TN, Indianapolis, Lafayette, etc). She was my very best friend and will miss our multiple phone calls since I now live full/time in Florida. Blessings to Linda & her family.*

“ This is her youngest son. I wanted to post a heart felt Thank You to everyone posting such nice memories and so on. You'll be hard-pressed to find another that was as kind and giving. She was a very strict parent but that has personally helped myself and brothers with raising our own families, our core values, work ethics and so on..... Although strictness with the Grandchildren wasn't so much =) Remember, everyone that knew her has suffered a loss. God Bless you all.

“ Linda was my co-worker and my Chief Deputy at the Clerks office. Always willing to help with any projects and customer service. She did a wonderful job in everthing she did. That was so apparent when you drove past her and Doug's home. She was always making sure the front flowers were tended, watered and beautiful. I am so sorry to hear about her passing. Thoughts and prayers to her sons and the entire family. She will be missed.

To all of the family of Linda, my heart felt condolences for your loss. I first met Linda when I was making daily deposits at the bank she worked at back in the 80's. She was so friendly. I then had the privilege of working with her for many years at the courthouse. We both loved flowers and I can remember telling her about this house on Jefferson Street that had the most amazing landscape on the hill in front of their house. Low and behold, it was the Colbart family home! She became a very good friend and I will always cherish our conversations about work, our families and life in general. She gave me a beautiful Angel that sits on our fireplace mantle, in memory of my daughter who passed away in 2016. She was a lovely woman who will be remembered and missed by many.
