“ thank you all for sending your comments, thoughts, and memories here for my mom. the site here wouldn't let me write any comment to your writings so I'll thank you here.
how I loved mom and miss her, but at the same time rejoice for her because god healed her and took all her pain away as she was hurting so much the last few days. it was hard to see her hurt so much. god knew what he was doing and took her hand and led her home with him.
god bless you all and I thank my father for giving me such a wonderful, loving mother all these years.

“ *Linda (mom) was a very good mother- in- law. When my last child was born , 21 yrs ago she was in my room waiting to hold the baby. The Dr looked at mom and said you better get over here so you can see this. Then mom looked at me and said Pennie!!! I said it's ok . That was the first time she had ever seen a baby born she loved it and she never stopped talking about it. We had a very special relationship. I will miss you mom and I love you. God has a special another person.*
