Knowing Linda only through her sister, Kathie, she appears to have had a very loving smile and protective nature for her sisters. I now understand the loss for the entire family of such a vibrant sister. My deepest condolences and prayers for your family as you navigate this loss. What a wonderful video tribute of your memories. Bonnie Clampitt

“ Linda and I knew each in High School, I have done you hair for many years, we all ways had lots of laughs and conversation!! She will be missed, Deb Smith

Linda was the leader of our “cousin group” that my sister and I along with Linda, Debbie and Kathie made up. Since she was the oldest, she was the first that was able to drive us in grandpa’s speed boat all around Lake Dewart. We had so much fun and lots of laughs while swimming, fishing, boating, etc. Although adulthood and responsibilities caused us not to see each other often, it seemed like we hadn’t missed a beat when we did get together. It’s hard to imagine her being gone from this earth. I look forward to the day I will see her again someday in heaven. I can imagine her being there with grandma and grandpa, her Dad and my Dad and my sister, Vicki. We will miss you here but will see you again!
