“ I came to the Northeastern Indiana District in September 1978. I remember being able to call Londa about any questions I had with annual reports, and her wonderful efficiency in the district office. After I retired, she retired from the office and attended the retired brunch for ministers, missionaries, and other personnel. She was always friendly and I got to know her more personally at those brunches. She made a tremendous contribution to the smooth running of our district office. She will be missed at our gatherings. But she is now awaiting the great gathering in heaven when we all attend the marriage supper of the Lamb. I am sure she is rejoicing around the throne of grace even as we mourn our loss. May God's grace comfort and keep her relatives and loved ones. Peter Albertson
