“ Lowell was our only neighbor who reached out to us when we moved in 7 years ago.
He began by bringing my 6 children popcycles and ice cream. In return my boys grew to have a great love for him.
My 6 year old Cameron was eager every trash day to return his trash can to the house for him. My girls would make desert and send extras his way. This is what neighbors do and because of Lowell's special friendship we have learned that taking care of our neighbors is important!
To this day Cameron continues to return the trash can every Thursday because he knows in some way, he is still helping out a dear friend who will be greatly missed!

“ Your dad was a good man. Before my husband Glen passed away, your dad would come to the house & cut his hair. Made life so much easier for him, as he was confined to a wheelchair.
