“ I had lots of interaction with Lynda during the fall when our sons ran cross country. She was always a joy to be around - and ALWAYS had a smile. Just being around her, you could not help but smile and be happy. Even though we didn't see each other often after that season of life was over, she was always interested in how my family was. I loved singing in the Community Christmas Choir. She did not sing with us, but she was always in attendance with that beautiful smile that lit up the room. She will be missed. Earth's loss is truly heaven's gain.

“ She got me into one of my favorite childhood fiction series, “The Chronicles of Narnia” I'll never forget that. Thoughts to her family. She was an amazing teacher who inspired imagination.

“ Mrs. Laatsch was always so supporting. I worked in the schools and we both loved Star Wars and had the same Starbucks order. We both loved making jokes together too. She always supported me going into ministry and encouraged me in that and is always something I'll be grateful for. Praying for her family!

“ *My first memories of Lynda are from many years ago when I became a substitute teacher at Northwest. She always had a smile & encouraging word for everyone! Her students were very important to her & I know she made each one of them feel very special. Years later I became a member of EUM & I got to enjoy her being part of the praise team. She had a love for life & a beautiful spirit! She will be missed! Maria Chanley*

“ It’s hard to imagine a world without Lynda. Our lives crossed paths through the years in different ways but I always loved her zest for life and enthusiasm and that smile! I first worked with Linda at Target and she was always my favorite to work with, many nights we closed down Pizza Hut having a late night snack after zoning at Target. I was so proud of her getting her teaching degree and I was so happy that she was a big part of my grandchildren’s lives as their children’s choir director at EUM. Lynda was so much fun to watch as she led those children singing. You could not stop smiling watching how much she loved what she was doing. I can only imagine all the lives she has touched during her years teaching and her church family. I love reading everyone’s memories of her - there is one common thread through all of them - that she radiated joy to everyone! My prayers to her family and so many that were so close to her. I hope she’s enjoying her great reward in Heaven! Thank you Lynda for a life well lived!

I will miss my friend, Lynda Laatsch. We first met as college freshmen at Huntington College. Lynda was like a big sister. We had many of laughs & late night study session. As time went on, she was a part of our wedding. Although we grew apart with distance, every time we’d have a chance to meet up for coffee, it was like the conversation just continued. She will be deeply missed.

“ I loved Lynda’s shoe game. I would always say to her that I wanted to have shoes like her when I grew up. To say she was a great person is an understatement. I’m going to miss her.

“ *Lynda was amazing - as a friend and coworker at Target, as a fellow student at HU getting our teaching degrees, as a parent when Isaiah was in my class, as a teacher for Jesse and Jamen, and as co-teachers at Northwest and Lincoln. She was beautiful inside and out. Her spirit was one of a kind. She will be very missed.*

“ *Laatsch family,
Mrs. Laatsch was my absolute favorite teacher. She was a blessing to all of us. I remember hearing a classmate ask her what will happen if they didn't bring lunch money again. Later that day, I watched her pay for that students lunch. Watching her walk around with a huge smile on her face every day or in braids, overalls, and Crocs will always be how I remember her. She inspired so many of us who were in her class. Some of us were blessed enough to have her two years in a row. Because of Mrs. Laatsch, I am now teaching 5th grade. Her legacy is one that honored God and will live on. I'm honored to have known her.*

“ Lynda was a joy to teach with. She showered love and caring actions on her students, who bloomed in her classes. Our daughter, Amy, was a member of the Hopping Hoosiers team with Logan, and has fond memories of Lynda on the trips they went on. We are so sorry for your loss, but Heaven is surely a joyful place right now.
