“ I have many memories as a kid, watching the family play cards for hours, playing aggravation, spending an overnight, always finding a FULL cookie jar on the counter, sitting with grandma with a big bowl of ice cream watching Lawrence Welk (I'm sure the motive was to keep me quiet). Looking forward to her stuffed green peppers and cabbage rolls (YUM) and we cant forget the pie oh my gosh I sure hope someone has those recipes!! Grandma I loved it when you came out to Oregon to visit me and my new family! I loved coming back to visit with you and the older I get the more I realize that FAMILY and TIME are two of the most important things in life. Grandma I love you and am very happy that I spent more time with you on my last visit! Forever in my heart! Love you Julie
