“ The Most Excellent Beanie Baby Adventure in 1998 with Aunt Sharon. Our last vacation together. No cruise, just us. We drove all over South Florida hunting for those babies.

I took Mom and Auntie to Sanibel Island, Florida, during The Most Excellent Beanie Baby Adventure in 1998. We stayed overnight at a lovely little place and walked the beach looking for seashells. Mom passed in May and Hurricane Ian decimated Sanibel Island in September. Sad times, indeed, but at least I remember and have these cherished photos.
