“ *Ron and family,*

As you know I didn't know Marilyn until much later in your life together but my relationship with the Geyers was from early childhood and any friend of a Geyer was a friend of mine. After we made contact again so many years later I saw first hand the love you and Marilyn had for each other and after her stroke your heroic love and care for her. All of which is a great and simple testimony to me of the great importance of family life and love and how fortunate we were to have had both in our own families in little ole Huntington, Indiana. I took Marilyn and the whole family to the Altar at Mass today. Bless you all.

“ Dear Geyer Family,
We are so sorry to hear about Marilyn. We are in Florida and unable to return in time to honor her celebration of life. Anyone who knew Marilyn knew what a special person she was. She always had so much to share and advice to offer in times of need. She lived a blessed life which was exemplified by the love she showed her family and the love that her family showed her. She was truly a role model for me. As many of you knew her too, one thing we always did was laugh. She had a great sense of humor on any given day you talked to her. You could never find any mother who was prouder of her family than Marilyn was. She loved you all dearly and spoke of you often. She never spoke meanly about anyone. What a remarkable soul! Her marriage to Ron was rare. The devotion they showed to each other is found in so few couples. Again a role model to be sure. I found myself blessed to have the opportunity to know her, if it hadn't been for her disability, I never would have met her or got to know your family. She will be greatly missed, but as I think of her, I know she is in heaven with good company and that is comforting. Please accept our sympathy and love, Marilyn is very special.

“ Marilyn was more like a sister than sister-in-law to us. We have many great memories of vacationing with Ron and Marilyn. We had some great times traveling in our motor home and staying in places like Nashville, TN, and various beautiful spots in Michigan/Canada. We also had a wonderful time when Ron, Marilyn and family stayed with us at our home in Rockville, MD.

Marilyn was a very special person. She loved life, and most of all loved the family gatherings. She was always there to console and lend a helping hand. She has always been an integral part of our lives. We love her very much and will miss her greatly. We know that she's in a better place, where she will continue to watch over us.

We love you, Ron, and will always be there for you.
