“ *My Aunt Margie was very special to me. As I was growing up our families spent a lot of time together. When I was quite small my Dad owned two race cars and Uncle Kenny was his helper with them. In the summer we were all off to the races every weekend. Mom (her sister Thelma) and Margie would pack a picnic lunch and we kids would eat on the bumper of the car. Margie was always upbeat and just plain fun to be with. The last few years my husband, Michael, and I began doing a lot of international travel. I always made sure to send Margie a post card from wherever we were traveling. Whenever we would visit her she would pull out the stack of post cards she had saved. I loved her very much and will miss visiting with her.*
