“ I worked with Mark many years ago and I was shocked and saddened by his death. Thought about him many times as I drove past PHD, wish I had stopped in to see him. He was such a delightful person and I loved his laugh.

“ 29 years of being a great friend, someone who was there for us! (all of us) Someone who would golf in the snow just to be with friends, who would also pick up on the 18th hole, just because

My Friend I love you and will miss you greatly

“ My wife Jasmin and I offer our deepest condolences to Melinda, Michael and the rest of the family. Mark was my best man in our wedding 31 years ago and was a close friend over all these years. Our 4 boys always called him Uncle Mark. He is already missed and I pray for comfort and healing for the family.

“ I have so many childhood memories that Mark was apart of. I remember the ones where we played jokes on aunt Barb. She was so easy to agitate. Mushroom hunting, flag football, Sunday's at grandma and grandpa's was what life was really about. I will always have a special spot in my heart where Mark will be. Heart breaking. Love you Cuz
