“ My favorite memories of Aunt Marsha are from my childhood. She stayed at our house on Christmas Eve when Earl & I were young the sleepover was always fun until the next morning. LOL....she had everyone line up at the bathroom door before we could even peek at the Christmas tree! A tradition we always enjoyed. Another memory...she used to "tease" her hair . It was funny to see her walking around with her hair standing on end before she finally finished styling it. I believe we have a picture of her like this. She got me hooked on the "Tammy" movies & song. Fond memories....she will be missed & always loved!

“ Your mom was a fun lady. She and your dad were great
supporters of me during our Girl Scout years.. So sorry to
learn of her last few weeks. I will not be to visitation but
wanted you both to know how much I appreciated her. Be
happy for her even though the tears.

“ I regret we will not be able to come to Marshas services,
but want to extend our support through prayer and kind
thoughts to all of her family. My Dad Marvin Land will attend
if possible to offer his love and respect for our family. Our
family lived down the street from her and Aunt Minnie..my
child hood memories of her were good ones. I last spoke to Mary at my mothers
funeral, Carolyn Land.
