“ So sorry to hear the world has lost such a nice lady! I was her neighbor and my children loved going up to the back door and waving in to her! My thoughts are with the family as they go through this difficult time. The Rittenhouse Family

“ Oh, how we miss coming home for visits. And when Mary, Charles, Joe & Marge came to visit us. We would go out to eat, check out the area and then play card games. They knew how to play card games! It was the only times we got to do that and we really enjoyed the fun we had. They would always have to re-teach us but they never minded. You were such a good sister to Mel when he was young and throughout his life. I am proud to have become a member of your family. We will always remember and love you. Peggy and Mel

“ Aunt Mary was a gracious hostess for many of our family reunions. And, introduced us to her 'Nutty Noodle' recipe, becoming one of my favorites! Enjoyed the many short visits with her, when I would be in Huntington visiting my folks. She would smile in her meek and mild way. Love you forever & always, Marilyn
