“ Dear Jean,
So sorry to hear of your mother's passing and sorry I have lost contact with you and Stan. Your mother always had a smile and good attitude. She is in a better place now. Love, Phylis

“ We will always have loving memories of Mary and all she did for us! I hate that we lost contact with her over the years. She was one of the kindest and funniest ladies I've ever knew... she will always hold a special place in our families hearts!

“ *I will treasure Mary's beautiful smile and cute little laugh and the little jokes she like to pull "you dropped something" "your foot" and she would laugh! I sure miss her and miss seeing you when you visited. Love Theresa*
