“ *I was so fortunate to be able to work, almost daily, with my Grandmama for over 10 years. Between mom (Myrna), Grandmama and I, we giggled, worked super hard, loved and probably ate too many homemade rumballs and noodles. But there is nothing in this world that would make me change that.*

*I know she was loved by the community as "Grandma" and for everyone she made smile, I thank you for giving her the ability to take care of you, it gave her strength.*

*Miss ya so much Grandmama, but please hug and kiss Grandpa and Deb for me, I miss them also.*

*Love,*

*Your favorite, (and only) Granddaughter,*
