“ *Aunt Dean is such a blessing to my life. I will never forget the times we would gather together as a family to laugh and share stories. She guided me in so many ways over the years. Some of my cherished memories were when she taught me how to swim at the Markle pool and how to apply my make up during one of our many sleep overs as a kid. We shared some adventures over the years. One dear to me was our trip to Arkansas with a pitstop in Memphis, TN to visit Graceland. I will cherish all of the guidance she gave me and will miss her deeply.*
