“ Mary, my sisterfriend, was a prayer warrior for me Mary would take hold of my hand as I would walk toward the door to go home and she'd pray for me. Then one day she told me how she saw a picture of me on her window in the bedroom in the early morning hours and she said she knew she was to pray. That's the day I had gone into heart failure....Mary was faithful to God, to our Mission House Family. Always a joy. She will be missed but not forgotten.

My mother was such a loving woman and would do anything she could to help anyone, from bringing home someone she just met and providing a bed or a meal, even giving clothing from her own closet. She helped so many and was loved by all. She was the matriarch of our family and everything we did was centered around her. We will truly miss her and love her still.
