“ I met Mary many years ago when she and her kiddos lived in Orland Park or near there. Mary loved those kiddos!! She was working at Fisher Body. She was so much fun. She would help anyone. But most of all she always treated me like family. Mary missed her sister Patti. Sandy, another sassy girlfriend, and Mary could start a good time with just a wink and a giggle. She will be missed. And I'm positive her Wings were waiting for her when she arrived in Gods Kingdom.

“ I am so saddened to hear that Mary Ann has passed. She was my favorite cousin and I have very good memories of her. She was like a sister to me and I will always remember the fun days of her playing with me at my parents house. She helped me get through my dad's passing. Is it possible that I could get something to remember her by, please let me know. May God help you through this time. Your cousin Debbie

“ I am so saddened to hear of your mom's passing. I know my mom would be broken-hearted (as would my dad). My parents loved her so and your mom was very dear to me as well.

Our moms would talk for hours laughing until they were both in tears. Even after my mom could no longer carry on a full conversation she lightened up just hearing Mary's voice and often asked about her. Then we'd give Mary a call and have a nice conversation and share a few laughs.

Mary was such a kind-hearted, generous and loving soul I know that angels awaited her with open arms to guide her to Heaven.

I wish you all peace to ease your pain and happy memories to lighten your heart.

With love,
Gerry and Sue Rasmussen
