“ He was the coach at Huntington College when I was a freshman student manager for basketball. He was a kind and dedicated man. My mother made a fruit cake each year for several years after that to thank him for the role he played in my life! John Adams

“ Dear Reed family, our deepest sympathies on Mr. Reed's passing. He was a dear, sweet man of God. I always enjoyed seeing your parents out & about! My dad, Rudy Decker & Maury always enjoyed talking about when they played baseball against each other in school. My sister-in-law, Patricia Harris Welch, enjoyed working with him at Riverview as well. He will be truly missed. Prayers for you all in the days ahead. Steve and Ramonda (Decker) Bickel

“ On behalf of Mauri's lifelong friend the late Jim Mitchell and myself, I send deep condolences to Marjorie and the family. I can't tell you how many times Jim spoke of his memories of Mauri, as they were inseparable in their youth-- staying in each other's homes, playing ball together and creating mischief in the classroom whenever they could get away with it! (Jim even took credit for getting Mauri and Marjorie together to start their long love story.) Mauri and Jim stayed in touch over the years and I remember many phone calls that typically ended with laughter and "I love you, buddy." They were born two days apart and died two months apart. I am comforted to know they are together again playing ball on a heavenly court. Blessings!

“ I knew Maury as my High School coach, competitor on the tennis court, loyal customer in my Barber shop and one of my many mentors.
He was honest, a loving father, a dedicated Christian, a loyal customer and a true example of what a real man should be.
I was honored to experience and share a small part of my life with him, his outstanding sons and wonderful wife.

“ was saddened to learn of morrie's passing from his son gary. although i know he is walking with jesus and completely healed of everything as he received his heavenly body when he left this life behind and took jesus's hand to go home to heaven. i knew morrie from being the vice president at the old riverview jr high in the early 70's and he attended the same church my family went to too. the last few years i'd go to my home church in huntington once in awhile and when he'd get wind i was there :-) he always looked for me and we'd talk sometimes for a long time. i got saved in 2008 so he was always interested in how my walk with christ was going for me and he always enjoyed hearing things that i'd learned in my walk with jesus by studying the word. i always enjoyed the times talking with morrie at church and finding out how his son's and their families was doing then too. my dad kept me informed of his health issues and i prayed a lot for him knowing he was suffering like he was. now my prayers are for all his family as they have to lay his body to rest and try and cope after losing such a loving person as he was and father as he was and husband as he was too. i'm glad he suffers no more now but feel for all the family in knowing what their going through and will go through. praying for all his family as i know them all. may god give you peace, the kind of peace that only god can give, the kind of peace that will help you through everything you have to go through. so many good memories with him and he is missed already but he walks with jesus now and for this, makes me smile big for him knowing he suffers no more.

Dear Reed Family, We send our sympathies to each of you as you mourn the loss of your patriarch. Maury was a man of his word. He accomplished many great things and raised a wonderful Christian family. Robert knew him as Coach Reed from Rock Creek High School and I knew him from his Title One Administrator days for HCCSC. Sending prayers of comfort and peace. Robert and Norma Fisher
