“ Max Fusselman is a 1 of 1. From the day I was born they let me come over to the farm, ride in the tractors and combines that helped shape me and the direction of my life. I owe so much to him for that. The most important thing he taught me was through the Church and how to walk through life with a smile. Every single time I pulled in the driveway it felt like family. I cannot say enough about this man and the family that he raised. I know where he is today and I know he is looking down at his family, very proud.

“ It said to share a memory,.....Max, his wife, and the entire family has darn near been a part of my entire life!! He touched my life so many times! I remember him at church!,...always smiling!! I remember him at the middle school basketball games (played with Randy) giving support to us! I remember him coming out to visit (in his barn) while we were working on our Senior float!! And there were soooo many times when I would run into him and Lee Ann and we would just talk and laugh!!! Many of the conversations were about me and Rick when we refereed together!! I loved it whenever I saw him and his wife!!! They were like family to me!! This world is a little worse now that we lost him!! But Heaven sure went up after adding him!! I will miss you a lot Max!

“ Max has been in my life for as long as I can remember. I saw him at least once a week, sometimes more, throughout my growing up years. He was a very important member of my Church Family. Through good times and bad times, Max and LeeAnn were always there. He had a heart of gold and would do anything he could to help. I can't count the number of times he opened up his home to people, let the youth group have hayrides and was always willing to do whatever needed to be done. I can honestly say that I have never seen him without a smile. Even during sad times, he always managed to smile at me! I can't imagine life without Max. I know that many people were there to greet him at the Gates of Heaven and I know that he was greeted with hugs and told, "Well Done, Good and Faithful Servant!" "Well Done!" My heart breaks for all of you and I am praying for everyone in your family. Max loved all of you, so much and he was so proud of each and every one of you!! May you find comfort in knowing that others care and are praying for you. With Deepest Sympathy, Jane Hale Varney
